MEMORANDUM FOR RECORD.

SUBJECT: Gulf Civilization Performance Report/Letter of Recommendation.

1. General. I have had the opportunity to observe the performance of Gulf Civilization from 13 September 2005 until present. This vendor has performed all janitorial and cleaning services for Zone VI Camp Arifjan for the past 24-plus months. This is a significant accomplishment given both the geographic size and overall population of Zone VI.
2. Performance. Gulf Civilization has earned an outstanding reputation amongst the Zone VI Command Cell. The company is extremely well-staffed, organized, and committed to excellence as made evident by its flawless performance to date. The company is clearly focused on the details, especially in terms of ensuring it complies with all aspects of the contract statement of work. Gulf Civilization is always the first, among a myriad of contractors who perform services for Zone VI, to adapt to new installation access rules or any other change that might impact on its ability to provide quality service. Completely reliable, trustworthy, and focused on the provision of nothing less than quality service, my experience has been that the government gets what it pays for when it employs Gulf Civilization.
3. The POC for this action is the undersigned at 430-7221.
